Statement of Commitment to the Northern Territory Government

Dear Sir/Madam,

I hope this letter finds you in good health and high spirits. I am writing to express my deep commitment to living and working in Darwin and to offer my skills as a valuable contribution to the community of the Northern Territory, upon the approval of our skilled Work Regional (Provisional) SC491 visa application with the Department of Immigration and Border Protection. I moved to Darwin from Sydney on 16th July 2022, I have been a resident here for the past 1 year. Initially residing on 13A/43 Duke Street in Stuart Park for 11 months, I later moved to 306A/65 Progress Drive, Nightcliff. Throughout my time in Darwin, I have come to cherish this vibrant community, and I am eager to invest my skills and energy in its growth and development.

I hold a Master's degree in Professional Accounting, due to my experience in working with customers closely has led me to pursue a career as a Customer Account Advisor. Through Institute of Public Accountants (IPA), I received a skill assessment as an accountant. In this competitive market, I am determined to pursue an accounting career, but while I find a job as an accountant I have been working as a customer account advisor, where I have thrived and made a positive impact.

Why have I chosen Darwin?

Employment Opportunities:

Spending more than 4 years in Sydney, I heard from my friends that it is a real challenge to secure full-time employment in Darwin due to its small economy and lack of jobs compared to bigger cities. After conducting thorough research via job portals like Seek, Indeed and other recruitment agencies, I found that Darwin offers promising job prospects for accountants and customer service professionals like myself. When I arrived to Darwin I spent the first couple of months searching for job and landed my first full-time job as a Customer Account Advisor. I still work as a Customer Account Advisor, where I am able to utilize my skills and contribute to the success of the businesses I serve.

Involvement in the Community:

Since my arrival in Darwin, I have actively participated in various community activities. I am an avid sports enthusiast and regularly play football, cricket and tennis, which has allowed me to connect with fellow residents and make many new friends.

Lifestyle and Culture:

Darwin's peaceful and relaxed atmosphere has resonated deeply with me. The warm climate, beautiful landscapes, and access to various outdoor activities have enriched my quality of life. I find that the lifestyle in Darwin suits me perfectly, providing ample opportunities for both personal and professional growth. Living in Darwin has been an absolute delight for me. The unique charm of this vibrant city has allowed me to forge numerous meaningful connections, making countless new friends along the way. Unlike the hustle and bustle of big cities, Darwin offers a serene environment that truly resonates with me. I've not only relished the welcoming community but also actively participated in local events, including a thrilling cricket tournament. Sports are a significant part of my routine, as I regularly engage in football and tennis. Whenever time permits, I love to unwind with friends, exploring picturesque spots like Litchfield, Kakadu, Nightcliff Jetty, the captivating Mindil Beach markets, and the bustling Waterfront. The convenience of having essential amenities like hospitals, schools, colleges, and supermarkets within easy reach is truly remarkable. As a devoted music enthusiast, I'm eagerly looking forward to attending The Teskey Brothers concert and soaking in the beautiful melodies of the Darwin Symphony Orchestra, solidifying my deep appreciation for the rich cultural scene that Darwin offers.

Future and Family:

As an unmarried individual, I have a keen desire to settle permanently in Darwin. The opportunities for personal and professional growth, coupled with the ease of accessing essential services, make it an ideal place to build a future.

I am committed to making a positive impact on the Northern Territory community through my skills and knowledge as an Accountant and Customer Account Advisor. With the prospect of gaining permanent employment in this field and the support of the Northern Territory Government, I am enthusiastic about making Darwin my permanent home.

I am deeply grateful for your time and consideration in reviewing my application. Your support and approval will mean the world to me, as I eagerly look forward to continuing my contribution to the growth and prosperity of Darwin and the Northern Territory.

Thank you once again for your attention. I remain at your disposal for any further information or clarification you may require.

Yours sincerely,

Spandan Mishra
